

2025 Tenant Satisfaction Survey

What is the survey about?

Arhag Housing Association have commissioned Acuity to carry out a survey of their tenants. The survey is a general satisfaction survey (perception survey) asking tenants what they think about their home and the Housing Services provided by Arhag Housing Association. The survey is similar to other surveys carried out in the past and is based on standardised questions used by other landlords. It incorporates the themes from the Social Housing White Paper and the Tenant Satisfaction Measures (TSMs) which were introduced by the Regulator of Social Housing in April 2023. The survey will be carried out from 7 to 19 July and 17 to 29 November 2025.

Who are Acuity?

Acuity Research & Practice (Acuity) provide tenant satisfaction surveys and benchmarking services, helping housing providers to improve services and engage with their tenants through an understanding of satisfaction, performance and profiling data. They have been providing consultancy services to the social housing sector for over 26 years.

How to take part:

- **Telephone surveys** – Acuity may call around 150 tenants each time, who have not yet completed a survey this year, inviting them to complete the survey with a telephone interviewer. **If tenants receive a call from Acuity, the number displayed will be from 0203 769 4487, a local area code.**

Are the surveys confidential and anonymous?

The surveys are strictly confidential and if a resident requests, the results can be given back to Arhag Housing Association anonymously without their name attached, if the resident wishes to remain anonymous.

What can I do to help tenants and boost response rates?

It is really important that front line staff encourage tenants to take part at every opportunity and assist tenants with queries about the survey and reassure them that the calls are genuine.

When will Acuity call our tenants?

Acuity only make calls between the hours of 9:00am and 20:00pm Monday to Friday and between the hours of 10.00am and 18:00pm on Saturday. Interviewers allow the telephone to ring for a minimum of 25 seconds, or until a voicemail system kicks in, to ensure tenants with mobility issues are given sufficient time to get to the phone.

What telephone number is displayed?

If a resident receives a call from Acuity the number displayed will be one which is from a local area code, **0203 769 4202**. If the resident sees a missed call from this number and calls back, they will hear a recorded message informing them that someone from Acuity tried to call them to complete a survey for their landlord.

Who should I contact at Arhag Housing Association or Acuity if I have a query that is not addressed here?

If you have any queries about the survey, please contact Arhag Housing Association (email contact@arhag.co.uk) or Heather Metivier at Acuity on 01273 287114 or acuity@arap.co.uk.

Are the surveys in line with data protection and what about quality standards?

Acuity is a company partner member of the Market Research Society and is registered with the Information Commissionaires Office, and in line with the Data Protection Act is not permitted to release any details to any other organisation. Under the Data Protection Act Acuity is not permitted to release any information that would allow an individual to be identified without their prior active consent to do so. Acuity also holds ISO20252:2019, which is the quality standard for market research companies.
